St. Anthony the Great
St. Anthony spent 85 years in the solitary desert. Shortly before his death, he told the brethren that soon he would be taken from them. He instructed them to preserve the Orthodox Faith in its purity, to avoid any association with heretics, and not to be negligent in their monastic struggles. "Strive to be united first with the Lord, and then with the saints, so that after death they may receive you as familiar friends into the everlasting dwellings."

Welcome Mother Alexandra from Holy Resurrection Monastery in Marshfield, MO...
- Mother Alexandra moved to Marshfield in November. With her move to the monastery there are still some costs involved with updating the property. We will take a collection for the Monastery at the conclusion of each Liturgy this morning.
